

EUROMECH

EUROPEAN MECHANICS SOCIETY

Prof. Paolo Luchini
has been appointed

EUROMECH FELLOW

The Fellowship has been awarded for his novel contributions to the understanding of receptivity, stability and control of shear flows, especially through the use of adjoint equations, and for his leading role in the Italian mechanics community.

The fellowship was presented on the occasion of the 11th EUROPEAN FLUID MECHANICS CONFERENCE
in Sevilla, Spain, 12 – 16 September 2016.

EUROMECH President

Prof. Gerjan van Heijst

Chairman of the Fellowship Committee

Prof. Emil Hopfinger
